Day 2025

World  
Hemophilia Day  
April 17  
Recognizing all bleeding disorders

# You're invited!

Join us for a celebration of our unbreakable bond.

The bleeding disorders community may be tied together by a diagnosis, but the connections go even deeper. Our 2025 One Family program celebrates the bonds that come from living with hemophilia—with people at home, on care teams, around the world—and how no one is ever alone. RSVP today to join us for hands-on activities like:

- Beaded bracelet making
- Instant camera selfie stations
- DIY photo frames
- Photo prop crafts
- Conversations and connections

It's all happening on World Hemophilia Day.
